To Whom It May Concern,

I hope this message finds you well. My name is Terroll Fields, Owner & Operator of Fly Boy LLC / Fly Boy Revitalize Waters+™, and I'd like to introduce you to the incredible value our fast-growing beverage brand can bring to your events and venues.

A Brand with Purpose

Founded in Yosemite, California in September 2018 and fully established in Las Vegas by March 2019, **Revitalize Waters+**™ launched with our flagship product: *Revitalize Electrolyte & Coconut Water*. In our first year alone, we sold nearly 7,000 bottles and secured shelf space in key locations including three 7-Eleven stores, Nellis Air Force Base, and several popular local retailers.

Like many small businesses, our growth was temporarily halted due to the COVID-19 pandemic. However, we stayed committed to serving our community, offering local water deliveries during the shortage—which doubled our sales and reshaped our mission.

The Comeback

Since the full reopening in May 2023, we've shifted to an **event sponsorship and community engagement model**. We've proudly supported events across the Las Vegas Valley—such as *Last Friday on Water Street*, *Market in the Alley*, *Social Saturdays*, and *The Art Walk*—culminating in a major partnership with *First Friday* in the Downtown Arts District. This platform propelled our brand, boosted our visibility, and reignited our growth.

To date, we've sold **over 40,000 bottles independently**—and we're just getting started. Our mission remains clear: **Health, Quality, and Affordability**, even in the face of rising freight and supply costs.

Proposal: Let's Partner

We would love the opportunity to become your **Exclusive Sponsored Water Brand** for all events at your venue. Here's what we bring to the table:

No Cost to You – We manage all logistics and inventory.

Revenue Sharing – We will contribute **up to 33.3% of sales per event** directly to your establishment, after the end of each event.

Scalable Contributions – From our standard pallet of 1,728 bottles, we contribute up to **\$1 per bottle sold**—upwards of **\$1,728.00+ per event**.

Brand Value – We offer more than just water—we offer a recognizable, respected, and growing brand.

Community Focus – We support local businesses and give back with charitable donations throughout the year. With future product lines in development—including a variety of healthy beverages—our contributions and brand reach will only expand.

Why Choose Us?

There are hundreds of beverage vendors, but **we don't just sell drinks—we build community, promote health, and elevate experiences**. Our presence adds value to any event, ensuring your guests always have access to premium hydration while supporting a brand that gives back.

We would be honored to partner with you and make **Fly Boy Revitalize Waters+™** the exclusive water brand for your events.

Thank you for your time and consideration. We look forward to the opportunity to collaborate.

Respectfully,

Terroll Fields
